Prisha Narasimhan

San Ramon, CA | (510) 432-0669 | prisha39@gmail.com | LinkedIn

EDUCATION: University of California, Los Angeles (UCLA)   Expected March 2026

Bachelor of Science, Statistics and Data Science

Bachelor of Arts, Economics

Minor in Global Studies

- GPA: 3.83
- Relevant Coursework: Economic Forecasting, Econometrics, Computational Statistics with R, International Finance, Data Science for Economists, Game Theory, Macro and Microeconomic Theory
- Coding Languages: R, Python

PROFESSIONAL EXPERIENCE:

Intern | Deloitte Consulting, Sacramento, CA   June 2025- September 2025

- Designed and executed testing scenarios on Salesforce-based DMV operating system across multiple environments (UAT, SIT, VRSYNC), validating business rules and data accuracy to support the CA DMV's system modernization project
- Identified and documented defects across 150+ test cases (e.g., in-flight transactions, security matrix testing, end-to-end conversions) and collaborated with Deloitte consultants to improve functionality for key processes such as vehicle and license plate registration and renewals
- Partnered with functional team members and interns to analyze test outcomes and present findings, ensuring project decisions remained centered on improving the experience of CA residents using DMV services

Business and Technology Intern | R2 Global Technology Services, Sacramento, CA   June 2024 - September 2024

- Developed Requirements Traceability Matrices (RTMs) in Excel to map project requirements to deliverables, ensuring full alignment with client expectations, reducing gaps in implementation, and enabling Team Leads to track progress with clarity
- Exhibited dedication and teamwork by assisting clients with tasks, actively participating in meetings, and supporting project goals

Intern | US Department of Energy: Loans Program Office, Washington DC   December 2023 - March 2024

- Orchestrated media research initiatives analyzing public sentiment toward Puerto Rico's utility-scale solar and storage project, delivering insights that informed strategic decisions on potential government-backed loans
- Executed detailed cost analyses comparing 3-4 merchandise vendors with varying pricing structures, ensuring optimal cost-efficiency and timely shipment through consistent vendor coordination
- Facilitated cross-functional coordination within the organization and with external stakeholders to streamline daily operations and ensure the successful execution of quarterly all-hands meetings

Operations Intern | SAM Technology, San Francisco, CA   March 2023 - May 2023

- Demonstrated proficiency in ProSeries, Lacerte, and UltraTax by overseeing the transfer and validation of client tax data between software platforms to maintain data accuracy and compliance
- Ensured strict compliance with client security protocols and promptly escalated potential issues as required, safeguarding the integrity and confidentiality of sensitive financial information

Intern | State Treasurer's Office (STO)**,** San Francisco, CA   June 2021 - July 2021

- Conducted comprehensive policy research on California state legislation—such as AB-39 establishing the California-China Climate Institute—to evaluate the significance, contributions, and broader impact of various state programs
- Collaborated with team members to evaluate the functions of the California Health Facilities Financing Authority (CHFFA) and authored a report for the STO assessing the Treasurer's role within the agency

LEADERSHIP AND CAMPUS INVOLVEMENT:

Chair of Advocacy and Finance | United Nations Association (UNA) USA at UCLA   March 2023 - June 2025

- Directed and organized volunteering initiatives with LA nonprofits—including Heal the Bay, LA Regional Foodbank, and LA Promise Fund—and created a comprehensive local volunteer database, fostering community engagement and advancing UNA's commitment to the UN Sustainable Development Goals (SDGs)
- Developed and administered budgets and grant proposals to improve financial oversight, securing essential funding and ensuring UNA advocacy programs remained cost-effective and within budget

Senior Staff | Model United Nations at UCLA   September 2022 - Present

- Chaired committees at LAMUN 2025 and BruinMUN 2025, producing detailed background guides on topics including the 1944 Bretton Woods Conference to facilitate structured and well-informed debates
- Coordinated with fellow staffers to facilitate crisis committees at BruinMUN 2022 and LAMUN 2023, ensuring engaging and well-organized sessions that enhanced delegate participation, creativity, and learning

SKILLS:

- Tools and Software: Adobe InDesign, Salesforce, Excel, AWS, Tax Software (Lacerte, UltraTax, ProSeries)
- Techniques: Statistical Analysis, Data Visualization, Data Optimization, Time Series Forecasting
